## Hinduja Global's new initiative for employees

BANGALORE, DHNS: Hinduja Global Solutions has launched a online employee engagement initiative, called 'HTMTGenie' in the City. A web portal, Genie is designed to showcase the talents of the employees in HGSL. The interactive portal is powered by NowPos (now Possible), a Hyderabad based company which has given a prototype that HGSL can customise for various employee engagement initiatives like quizzes, surveys, competitions like Sudoku, Song & Dance and more.
